Instructions to Students

- Final exams will be written in the classrooms. (Students will be informed by their teachers regarding any changes in the location of exams.)
- A.M. exams begin at 9:00: P.M. exams begin at 1:00.
- Students **must** remain in the examination classroom for at least **ONE** hour.
- Students are reminded to be on time for exams; if a student is too ill to write an exam, a doctor's note must be submitted to the main office
- At the time of completion of each exam or class, students must leave the school immediately or remain in the library to study during the times that they are not scheduled for an exam; but **nowhere** else in the school.
- Students concerns regarding the exam schedule should be directed to Mrs. Harty no later than **Thursday, January 9th, 2020.**
- During examination week, students are asked to be as quiet as possible when they leave the classrooms so that they do not disturb other students who are still working.
- Students are expected to study and be prepared for all exams.
- Students in grade 8 and 9 that have incomplete outcomes will be informed on Wednesday, January 22nd. Please talk with your teacher beforehand in regards to what assignments you may be missing in your classes. Also inform your teacher as soon as possible if you have an event during completion week that cannot be changed (i.e. specialist appointment) in order to complete work at a different time and/or day.*

NOTE:

- *Grade 8 and 9 students with incomplete outcomes are expected to attend class according to the above exam schedule in order to complete their outcomes as directed by the teacher.*
